

STAFFORD COUNTY SCHOOL BOARD

Agenda Consideration

TOPIC: Day Care Facilities

ITEM NO.: 10A

PREPARED BY: H. Charles Woodruff, II
Assistant Superintendent
of Financial Services

MEETING: October 26, 2004
ACTION DATE:

ACTION REQUESTED BY THE SUPERINTENDENT: That the School Board concur that staff pursue a lease agreement for one or more day care facilities.

KEY POINTS:

- Assistance with day care options has been identified by teachers and staff as one of the most important human resources' issues.
- A recent opinion by McGuire Woods has identified that Stafford County Public Schools could potentially lease Stafford County Public School land to a company to build and manage a day care facility. An Opinion by the Attorney General would further clarify the issue.
- Further actions required: obtain an Opinion by the Attorney General, identify available sites, issuing an RFP inviting companies to submit proposals, and entering into a lease agreement.

SCHOOL BOARD GOAL #6: Introduce programs to enhance employee status, within the school division and the community at large, so that employees are aware of their value to school and the community.
